MEMORANDUM OPINION

_____The magistrate judge filed a report and recommendation, recommending that defendants United Healthcare of Alabama, Inc. and United Healthcare Insurance Company's motion for summary judgment be granted. The plaintiffs have not filed objections to the report and recommendation.

Wherefore, after consideration of the entire court file, the court adopts the statements and conclusions in the report and recommendation as the court's own. The defendants' motion for summary judgment is due to be granted and the claims against them dismissed. An appropriate order will be entered.

DONE this 29th day of September, 2005.
